OFFICIAL LABORATORY REPORT

Date: 11/06/2026

**Patient Full Name:** Harun Odhiambo Otieno

**Health Record Number (HRN):** SCC-014/26

**Age:** 35 Yrs

**Gender:** Male

**Lab Tests:** Liver Function Test (LFT), Urea, Electrolytes & Creatinine (U&E), Full Blood Count (CBC)

| TEST CATEGORY PANEL         | LAB TEST PARAMETERS           | RESULT VALUE | UNIT                 | STANDARD REFERENCE RANGE | EVALUATION STATE |
|-----------------------------|-------------------------------|--------------|----------------------|--------------------------|------------------|
| LIVER FUNCTION TEST (LFT)   | Alanine Transaminase (ALT)    | 55.00        | U/L                  | 7 - 56                   | WITHIN RANGE     |
| LIVER FUNCTION TEST (LFT)   | Aspartate Transaminase (AST)  | 33.00        | U/L                  | 10 - 40                  | WITHIN RANGE     |
| LIVER FUNCTION TEST (LFT)   | Total Bilirubin (T.BIL)       | 22.00        | µmol/L               | 3 - 21                   | HIGH             |
| LIVER FUNCTION TEST (LFT)   | Direct Bilirubin (D.BIL)      | 55.00        | µmol/L               | 0 - 5.1                  | HIGH             |
| LIVER FUNCTION TEST (LFT)   | Alkaline Phosphatase (ALP)    | 66.00        | U/L                  | 40 - 130                 | WITHIN RANGE     |
| LIVER FUNCTION TEST (LFT)   | Albumin (ALB)                 | 11.00        | g/L                  | 35 - 52                  | LOW              |
| UREA, ELECTROLYTES & CRE... | Sodium (Na+)                  | 22.00        | mmol/L               | 135 - 145                | LOW              |
| UREA, ELECTROLYTES & CRE... | Potassium (K+)                | 22.00        | mmol/L               | 3.5 - 5.1                | HIGH             |
| UREA, ELECTROLYTES & CRE... | Urea                          | 77.00        | mmol/L               | 2.5 - 7.8                | HIGH             |
| UREA, ELECTROLYTES & CRE... | Serum Creatinine (Cr)         | 55.00        | µmol/L               | 50 - 110                 | WITHIN RANGE     |
| FULL BLOOD COUNT (CBC)      | Hb (Hemoglobin)               | 11.00        | g/dL                 | 12 - 17.5                | LOW              |
| FULL BLOOD COUNT (CBC)      | WBC (Total White Cell Count)  | 44.00        | x10 <sup>3</sup> /µL | 4 - 11                   | HIGH             |
| FULL BLOOD COUNT (CBC)      | Absolute Neutrophils          | 55.00        | x10 <sup>3</sup> /µL | 1.5 - 7.5                | HIGH             |
| FULL BLOOD COUNT (CBC)      | Platelets (Plt)               | 66.00        | x10 <sup>3</sup> /µL | 150 - 450                | LOW              |
| FULL BLOOD COUNT (CBC)      | Mean Corpuscular Volume (MCV) | 77.00        | fL                   | 80 - 100                 | LOW              |

TECHNICIAN REMARKS & NOTES

[CRITICAL HIGH] Total Bilirubin (T.BIL): 22 exceeds max threshold of 21. [CRITICAL HIGH] Direct Bilirubin: 55 exceeds max threshold of 5.1.  
[CRITICAL LOW] undefined: 11 drops below min threshold of 35.

Tech Remarks:
